

FREE Talk on Native Plant Landscaping

Thursday October 6th 6:30 – 8:00 pm

**Fallbrook Public Utilities District Bldg,
990 E. Mission Road, Fallbrook**

Greg Rubin, native landscape designer, will show you how easy native landscaping can be. Learn the benefits of "going native" and creating a beautiful landscape that also attracts birds and butterflies, while saving water and maintenance costs. Fire-safe native landscaping will also be discussed.

For more information contact:

Mission Resource Conservation District at 760-728-1332

**Sponsored by Mission Resource Conservation District's
Weed Management Area Program**
